Temple Beth Emeth keeps dues and tuition low by operating on a very tight budget. We rely heavily on the members of our congregation to keep our temple running. All member families are asked to:

- “Adopt a Shabbat” – host one Oneg per year (refreshments following Friday night service) and participate in honors during the service (light candles, etc.)
- Volunteer for a committee or project
- Assist with one event each year: holiday planning, youth activities or education event
- Participate in weekly services and holiday celebrations
- Attend community events including bar/bat mitzvahs and shiva minyan

Please see the temple activity list on the following page.

I'd like to be involved in these these temple activities:

- Telling jokes and eating bagels with other men, doing projects to benefit our congregation and community (Men's Club)
- Participate in educational and social activities with other women, s for the sisterhood members.Support the religious, social, service and educational activities of the congregation (Sisterhood)
- Learning more about Jewish history, Torah, music art and culture
- Education for our children
- Tutoring for B'nai Mitzvot or any Torah reading
- Singing or playing an instrument at services (adults or children)
- Planning events and celebrations
- Working in the Barn – the TBE Thrift Shop (One Sunday per month)
- Making the inside or outside of the temple beautiful
- Coordinating Oneg Shabbat snacks after services
- Letting our congregation and the community know about temple events (social media)
- Greeting members and guests at services
- Organizing activities for pre-teens and/or teens in our congregation
- Having my children participate in youth activities
- Activities to end hunger and homelessness, promote social justice, and repair the world (Tikkun Olam)
- Assisting people who are unable to drive to get to temple events
- Delivering meals to congregants in a time of need (funded by donations)
- Serving on the temple governing board or in another leadership position
- Studying for conversion to Judaism
- Studying for Adult Bar/Bat Mitzvah
- Welcoming new members to our congregation

Other ways you'd like to be involved. Do you have skills that could be helpful to the congregation? (Anything from plumbing to marketing, teaching to landscaping, etc.)
